(Managing Director & CEO)

About Us

MAS Dream Group is headquartered in the dynamic city of Lusail, Qatar. We are an independent firm that combines the expertise of skilled engineers, planners, surveyors, and both technical and nontechnical staff to offer a diverse array of professional services.

Our operations span across contracting, trading, manpower supply, maintenance, landscaping, and real estate. Our portfolio includes successful projects in residential development, educational campuses, healthcare and medical centers, hospitality and resorts, and road and civil works.

We are committed to maintaining high service standards, ensuring productive and fulfilling interactions from project conception to completion. Our dedication to keeping pace with industry trends and meeting growing client needs has built our reputation for trust, high-quality service, and efficiency

Message from the Managing Director And CEO

At MAS Dream Group, our primary objective is to complete all projects within the promised timeframe without compromising on quality, with customer satisfaction as our top priority. Our service offerings are expanding daily in Qatar, and we are focused on achieving greater milestones.

Our success is driven by our hard-working employees both at our head office and on-site, who operate far from their homeland. Their dedication and expertise ensure that we remain a preferred and competitive company. I extend my gratitude to all our employees and promise to continue exceeding our targets and providing quality solutions.

Our Vision

MAS Dream Group aims to be the leading provider in contracting, trading, manpower supply, and other services, distinguished by our commitment to excellence, integrity, and quality. Our goal is to diversify our business and retain our leadership position through dedication, hard work, and professional excellence.

Our Mission

- Deliver the highest quality of service to ensure customer satisfaction.
- Implement the latest technologies and provide high-quality services at competitive prices.
- Plan and execute projects on demand, within allocated timeframes
- Maintain exceptional performance standards with professionalism and integrity.
- Foster beneficial relationships with customers, contractors, and suppliers.
